According to the guidelines of 37 CFR 1.312, the amendment is filed on or before the date the issue fee is paid. It is clear that the amendments are merely made to correct typographical errors without introducing any new matter. In addition, a numeral "80" is added in Fig.7 to indicate the insulating layer mentioned in para. [0021]. Consideration of the above specification and figure amendments is respectfully requested.

Sincerely yours,
